Single Tooth Tenaculum  
10mm Dia x 36cm Length**

**36cm Laparoscopic Tenaculum  
to use with Gynecare X-TRACT Tissue Morcellator**

**Zinnanti Sampler**

**TMI1175 - Zinnanti Sampler - Endometrial Suction Curette**

**LATEX FREE**

- Malleable, non-metallic instruments
- Blunt tip
- Centimeter markings on the curette
- Solid tapered tip and minimum outer diameter combine for safe and comfortable introduction
- Super suction and sharp curette opening ensures a reliable sample collection
- Firm, flexible cannula prevents kinking on insertion
- Small outer diameter simplifies introduction
- Box of 25 also includes 2 Disposable Flexible Cervical Dilators
- Single use

**Also available:  
Disposable Flexible  
Cervical Dilator (Os Finder)  
OS-01-025 - Box of 25  
OS-01-050 - Box of 50**

**TMI1151 - Zinnanti Uterine  
Manipulator/  
Injector**

**LATEX FREE**

- Pear shaped balloon for optimal hold which is a better seal at the internal os
- Reduced catheter shaft (4.5mm) allows for easy insertion
- Flexible extension prevents cracking of luer fitting

**TMI1171 - EZ Glide Manipulator**

**LATEX FREE**

- New sliding handle adjusts after insertion and then locks into place to maintain a secure trauma free hold on the uterus
- Handle has larger grip for better leverage during manipulation
- Pear shaped balloon provides optimal hold which forms a better seal at the internal os
- Flexible extension prevents cracking of luer fitting
- Longer shaft to better accommodate Plus-Size patients
- Central lumen provides for easy injection
- Atraumatic beveled catheter tip protects uterine wall

**TMI1157 - HS Procedure Tray**

Sterile and ready to use

**LATEX FREE**
